Food for thought!

Today St Paul gives us three words to ponder on...

Faith...Endurance...and Hope.

Faith gives us strength to believe in God even when we can't see the path ahead. **Endurance** empowers us to keep moving forward trusting that each step brings us closer to healing and understanding. **Hope** quiet yet powerful reminds us that new beginnings are always possible. These three words form a spiritual trinity that reflect a life rooted in the Holy Trinity...Father...Son and Holy Spirit. God our Father created us – Jesus our redeemer, teaches us grace and truth – and the Holy Spirit empowers us each day. Together they form the foundation of our faith, shaping our hearts and illuminating our path. In this sacred union in the mystery of the Trinity we find the strength to believe, the courage to endure and the light to hope. As we walk in faith the Trinity becomes our compass shaping us in love and leading us towards eternal life. Praise Him!

Poem for Day for Life

*Protect the weak, defend the small,
Stand up for life -stand up for all.
From first heartbeat to final sigh
Let love be strong, let fear pass by.
For even when the end is near
our care remains -gentle and clear.
For life is precious, pure and true
and guarding it - is ours to do.*
